**Limited Review Report for the Consolidated Unaudited Financial Results of Reliance Capital Limited for the quarter and nine months ended December 31, 2020 pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

**To the Board of Directors of Reliance Capital Limited**

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of Reliance Capital Limited ('the Parent Company') and its subsidiaries (the Parent Company and its subsidiaries together referred to as the 'Group'), and its share of net profit / (loss) after tax and total comprehensive income/ loss of its associates for the quarter and nine months ended December 31, 2020 ("the Statement") attached herewith, being submitted by the Parent Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.
2. This Statement which is the responsibility of the Parent Company's Management and approved by the Parent's Board of Directors in their meeting held on February 1, 2021, has been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 "Interim Financial Reporting" prescribed under section 133 of the Companies Act, 2013 ("the Act") and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We draw attention to Note no. 11 of the Statement with reference to M/s Reliance Home Finance Limited (RHFL) an associate company, wherein the statutory auditor of RHFL has modified its opinion on the financial results with regards to the loan advanced under the 'General Purpose Corporate Loan' product with significant deviations to certain bodies corporate including group companies and outstanding as at December 31, 2020 aggregating to Rs. 7,965 Crore and secured by charge on current assets of borrowers. As stated in the said note, majority of RHFL borrowers have undertaken onward lending transaction and end use of the borrowings from the RHFL included borrowings by or for repayment of financial obligation to some of the group companies. There has been overdue of Rs. 7,773 Crore (including non-performing assets of Rs.4,778 Crore) of these loans as on December 31, 2020. We are unable to substantiate the management assertion on the recoverability of principal and interest including time frame of recovery of aforesaid loans outstanding as on December 31, 2020. The RHFL's exposure to the borrowers are secured against charge on current assets and is dependent on the recovery of onward lending of the borrowers which depends on external factors not wholly within control of the RHFL/borrower. Further we draw attention to Note no 12 of the Statement on the material shift in primary business of RHFL from Housing Finance to Non-Housing Finance which comprise more than 50% of total loan portfolio raising concern about RHFL continuing as a Housing Finance Company. Also, as per the recent RBI circular dated October 22, 2020 the Company has time till March 31, 2024 to meet the regulatory requirements with regards to Housing Finance portfolio.
4. We draw attention Note no. 10 of the Statement with reference to M/s Reliance Commercial Finance Limited (RCFL) a subsidiary company, wherein the statutory auditors of RCFL has modified the opinion on the financial results with regards to the loans sanctioned under corporate loan book with significant deviations to certain bodies corporates including group companies and outstanding as on December 31, 2020 aggregating to Rs. 4,980 Crore and secured by charge on current assets of borrowers. As stated in the said note, in certain cases the corporate borrowers of

RCFL's have undertaken onward lending transactions and end use of the borrowings from RCFL included borrowings by or for repayment of financial obligation to some of the group companies. These exposures to borrowers are secured against charge on current assets including in certain cases it's further guaranteed by the Group Companies. The recovery against these loans is dependent on the recovery of onward lending of the borrowers which further depends on external factors not wholly within control of the RCFL/borrower. We were unable to obtain sufficient audit evidence about the recoverability of the aforesaid loans. Accordingly, we were unable to determine the consequential implications arising therefrom and it may have implications of adjustments, disclosures or compliances on certain elements in the financial results of RCFL.

5. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended to the extent applicable.
