Reliance Nippon Life to hire 30,000 agents

CHANDIGARH: Reliance Nippon Life Insurance, a part of Reliance Capital, will hire 30,000 agents this fiscal to increase market penetration. Currently, it has over one lakh agents.

"We are increasing our sales force by recruiting agents. We will focus on traditional guaranteed plans and renewal premium collection to achieve a double-digit growth this year," said Manoranjan Sahoo, chief agency officer, Reliance Nippon Life Insurance, who was in the city to launch a product. TNS
