Limited review report on unaudited quarterly and year to date consolidated financial results of Reliance Capital Limited under Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

To

**The Administrator (appointed under Insolvency and Bankruptcy Code) of
Reliance Capital Limited.**

Introduction

1. We have reviewed the accompanying Statement of consolidated unaudited financial results of Reliance Capital Limited ("the Parent Company") and its subsidiaries, and its share of net profit / (loss) after tax and total comprehensive income/(loss) of its associates (the Parent Company, its subsidiaries and associates together referred to as "the Group") for the quarter September 30, 2022 and year to date results for the period from April 1, 2022 to September 30, 2022 ("the Statement") attached herewith, being submitted by the Parent Company pursuant to the requirements of Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").
2. The Reserve Bank of India ("RBI") vide its letter and press release dated November 29, 2021 ("RBI Order") issued under Section 45-IE(1) of the Reserve Bank of India Act, 1934, superseded the Board of Directors of the Parent Company and appointed an Administrator to run the Parent Company. Subsequently, in accordance with the order dated December 06, 2021 passed by the National Company Law Tribunal (Mumbai Bench) ("NCLT Order"), the application for commencement of Corporate Insolvency Resolution Process ("CIRP") of the Parent Company under the Insolvency and Bankruptcy Code, 2016 ("IBC") was admitted.
3. The above unaudited consolidated financial results of the Parent Company for the quarter and half year ended September have been taken on record by the Administrator while discharging the powers of the Board of Directors of the Company which were conferred by the RBI Order and in accordance with the NCLT Order. For the said purpose, as explained in Note no. 2 to the Statement, the Administrator has relied solely upon the assistance provided by the existing staff and present key management personnel ("KMPs") and has assumed, without any further assessment, that information and data provided by the existing staff and present KMPs are in the conformity with Companies Act 2013 and other applicable laws and regulations with respect to the preparation of the Statement.
4. This Statement has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

Scope of the Review

5. Our responsibility is to issue a report on the Statement based on our review. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

6. This Statement includes results of the entities as stated in Annexure I.

Basis for Qualified Conclusion

7. We draw attention to Note no. 3 to the Statement which explains that the amount of the claims including claims on account of corporate guarantees invoked, admitted or to be admitted by the Administrator may differ from the amount reflecting in the books of account of the Parent Company. Pending final outcome of the CIRP, no adjustments have been made in the books for the differential amounts, if any, in the claims admitted as on the date of the financial results as compared to the liabilities reflected in the books of account of the Parent Company.
8. We draw attention to Note no. 4 to the Statement which explains that in view of the ongoing CIRP, the Parent Company has provided for interest expense on financial liabilities which may be applicable on the financial debt only upto December 06, 2021. Accordingly, interest expense pertaining to the quarter ended September 30, 2022 amounting to Rs.40,240 lakhs and for the half year ended September 30, 2022 amounting to Rs.81,254 lakhs has not been recognized. Had such interest been recognized, the loss before tax for the quarter ended September 30, 2022 and for the half year ended September 30, 2022 would have been higher by Rs.40,240 lakhs and Rs.81,254 lakhs respectively. Further, the aggregate interest expense not recognised by the Parent Company post December 06, 2021 is Rs.1,30,344 lakhs and had such interest been recognised, the net worth of the Group as at September 30, 2022 would have been lower by Rs.1,30,344 lakhs.

Qualified Conclusion

9. Based on our review conducted and procedures as stated in paragraph 5 above read with paragraph 3, the consideration of the limited review reports of auditors of entities referred to in paragraph 17 below and with the exception of the matters described in paragraphs 7 to 8 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Ind AS and other accounting principles generally accepted in India or state whether the Statement has not disclosed the information required to be disclosed in terms of Regulation 33 and Regulation 52 of the Listing Regulation including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty related to Going Concern

10. We draw attention to Note no. 2 of the Statement which explains that the Parent Company has been admitted under the CIRP process effective December 06, 2021 and as stipulated under Section 20 of the IBC, it is incumbent upon the Administrator to manage the operations of the Company as a going concern. Accordingly, the financial results for the quarter and half year ended September 30, 2022 have been prepared on going concern basis. However, the Parent Company has defaulted in repayment of the obligations to the lenders and debenture holders which is outstanding, has incurred losses during the period as well as during the previous periods, has reported negative net worth as at September 30, 2022 and previous periods, the asset cover for Listed Secured Non-Convertible Debentures of the Parent Company has fallen below one hundred percent and other matters as described in Note No. 10 to the Statement, which indicates that material uncertainty exists, that may cast significant doubt on the Parent Company's ability to continue as a Going Concern.
11. We draw attention to Note no. 14(a) of the Statement which states that RCFL during the quarter ended has incurred losses of Rs.1,825 lakh (previous year March 31, 2022 Rs. 7,07,930 lakh) and it has accumulated losses of Rs. 13,11,016 lakh as at 30 September 2022 (previous year March 31, 2022 Rs. 13,09,178 lakh) resulting it has negative Capital to risk weighted assets ratio (CRAR) and negative net owned fund. Business activities of RCFL are kept in abeyance and recovery process of old loans is underway. RCFL's Resolution Plan is being implemented vide Memorandum executed on 30th September 2022. Pending settlement of lenders conversion of balance debt into securities and other components of resolution plan, the financial conditions cast a significant doubt on the ability of RCFL to continue as a going concern and therefore a material uncertainty related to Going Concern exists. In view of implementation of the approved resolution plan, the financial statements of RCFL for the quarter and half year ended 30 September 2022 have been prepared on a going concern basis.

Our conclusion on the Statement is not modified in respect of the paragraphs 10 and 11.

Emphasis of Matter

12. We draw attention to Note no. 9 of the statement referring to filing under Section 143(12) of the Companies Act, 2013 to Ministry of Corporate Affairs by one of the previous auditors of the Parent Company and RCFL for the financial year 2018-19. Based on the facts as described in the aforesaid note, both the Parent Company and RCFL have concluded that there were no matters attracting the said Section and the matter is under consideration with the Ministry of Corporate Affairs.
13. We draw attention to Note no. 8 of the statement which refers to the ongoing exercise of valuation of all assets held by the Parent Company and subsequent measurement of impairment loss under Ind AS 36, if any.
14. We draw attention to Note no. 15 of the statement which describes the uncertainties relating to COVID-19 pandemic outbreak and management's evaluation of the impact on the financial results of Reliance Nippon Life Insurance Company Limited ("RNLICL") as at the reporting date. The impact of these uncertainties on RNLICL's operations is significantly dependent on future developments.

Our conclusion on the Statement is not modified in respect of matters stated in paragraphs 12 to 14.

Other Matters

15. The statutory auditors of one of the subsidiary companies, Reliance Nippon Life Insurance Company Limited ("RNLICL"), have included the following Other Matter paragraph in their review report:

"The actuarial valuation of liabilities for life policies in force and policies where premium is discounted is the responsibility of the RNLICL's Appointed Actuary (the "Appointed Actuary"). The actuarial valuation of these liabilities as at September 30, 2022 has been duly certified by the Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with generally accepted actuarial principal and practice requirements of the Insurance Act, regulations notified by IRDAI and Actuarial Practice Standard issued by the Institute of Actuaries of India in concurrence with the IRDAI. We have relied upon the appointed Actuary's Certificate in this regard. Our opinion is not modified in respect of this matter."

16. The statutory auditors of one of the subsidiary companies, Reliance General Insurance Company Limited ("RGICL"), a subsidiary of the Parent Company, have included the following Other Matter paragraph in their review report:

"The actuarial valuation of liabilities for Incurred but Not Reported (IBNR) and Incurred but Not Enough Reported (IBNER) and Premium Deficiency Reserve (PDR) policies in force is the responsibility of the RGICL's Appointed Actuary (the "Appointed Actuary"). The actuarial valuation of liabilities for policies in force as on September 30, 2022 has been duly certified by the Appointed Actuary. We relied on the Actuary's Certificate. Our conclusion is not modified in respect of this matter."
