Mumbai, June 7, 2017: Reliance Nippon Life Asset Management Limited (RNAM) has informed that its board of directors have given their approval for the plans to list the equity shares of the Company, subject to necessary regulatory and corporate approvals.

RNAM is the asset manager to Reliance Mutual Fund and will be the first among the top 3 players in the AMC industry to list its shares on exchanges.

The proposed listing of RNAM would facilitate sharing of value with the retail investors applying for its IPO.

Discussions with merchant bankers, lawyers and auditors for IPO process would be initiated soon. The percentage of dilution, which shall be subject to regulatory norms, is yet to be decided.

“As a part of financial inclusion we have been creating wealth for mutual fund unit holders. Now we also believe it’s an opportunity for retail investors to participate as equity shareholders in the asset management company. Along with further consolidations happening in economy we would like to be ready to take advantage of suitable acquisitions,” said Sundeep Sikka, ED and CEO, Reliance Nippon Life Asset Management Limited (RNAM).

RNAM offers a well-rounded portfolio of products that meet varying investor requirements and constantly endeavours to launch innovative products and customer service initiatives to increase value to investors.

During the year ended March 31, 2017, the Company announced a YoY increase of 25% on its AUM to Rs 3,58,059 crore (US\$ 55.1 Billion); a YoY increase of 9% in its Total Income to Rs 1,436 crore (US\$ 221 million) and a 16% increase in its PBT to Rs 581 crore (US\$ 90 million).

RNAM is a subsidiary of Reliance Capital Limited (RCL), with Nippon Life Insurance Company as its strategic partner. RCL holds 51% of the total issued and paid-up equity share capital of RNAM.
