

What to Buy, Sell and Hold

■ **Edelweiss** has a 'buy' rating on **DLF** with a target price of ₹273. The brokerage anticipates a gradual uptick in the company's operations in coming quarters. The brokerage expects the company to be a key beneficiary of ongoing consolidation in the sector and believes that its attractive rental portfolio and improving balance sheet will hold it in good stead going ahead. The stock ended down 0.27% at ₹220.30 on Thursday.
