Other Matters

6. The actuarial valuation of liabilities in respect of Claims Incurred But Not Reported (IBNR), Claims Incurred But Not Enough Reported (IBNER), Premium Deficiency Reserve (PDR) & Unexpired Risk Reserve (URR) is the responsibility of the Company’s Appointed Actuary. The actuarial valuation of these liabilities as at March 31, 2023, has been duly certified by the Appointed Actuary. The Appointed Actuary has also certified that in their opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by IRDAI and the Institute of Actuaries of India in concurrence with the Authority. We have relied upon the Company’s Appointed Actuary’s certificate in this regard for forming our opinion on the financial statements of the Company.
7. The Financial Statements of the Company for the year end March 31, 2022, has been audited by the one of the predecessor auditors Pathak H. D. & Associates LLP and the continuing joint statutory auditor, Uttam Abuwala Ghosh & Associates, whose report dated April 26, 2022 has expressed a qualified opinion.

Our opinion is not modified in respect of the above matters.

Information other than the Financial Statements and Auditor’s Report thereon

8. The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the ‘the Management Report’ and ‘Director’s report’, but does not include the financial statements and our auditor’s report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management for the financial statements

9. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and receipts and payments of the Company in accordance with the accounting principles generally accepted in India including the Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder, Insurance Act read with IRDAI Act, IRDAI Accounting Regulations and orders / directions prescribed by IRDAI in this behalf, current practices prevailing within the insurance industry in India and other accounting principles generally accepted in India to the extent not inconsistent with IRDAI Accounting Regulations and order/ directions/circulars issued by IRDAI. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.
10. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

11. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
12. As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
13. Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.
 14. We communicate with those charged with governance regarding, among other matters, the planned scope, allocation of work and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

These investments were being valued at amortized cost as prescribed by the IRDA Regulations and valuation policy approved by the Board of Directors. (Refer the Basis of Qualified opinion paragraph in our main audit report)

9. A material weakness is a deficiency or a combination of deficiencies, in internal control with reference to financial statements, such that there is a reasonable possibility that a material misstatement of the company's annual financial statements will not be prevented or detected in a timely basis.

Qualified Opinion

10. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements as of March 31, 2023 based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India and, except for the possible effects of the material weakness described in the Basis for Qualified Opinion paragraph above on the achievement of the objectives of the control criteria, the Company's internal financial controls with reference to financial statements were operating effectively as of March 31, 2023.

11. We have considered the material weakness identified and reported above in determining the nature, timing and extent of audit tests applied for our audit of financial statements of the Company for the year ended March

Annexure A to Independent Auditors' Report

31, 2023, and the material weakness affects our opinion on the financial statements of the Company (refer the Basis of Qualified Opinion paragraph in our main audit report).

Other Matter

12. The actuarial valuation of liabilities in respect of Claims Incurred But Not Reported (IBNR), Claims Incurred But Not Enough Reported (IBNER), Premium Deficiency Reserve (PDR) & Unexpired Risk Reserve (URR) is the responsibility of the Company's Appointed Actuary. The actuarial valuation of these liabilities as at March 31, 2023, has been duly certified by the Appointed Actuary. The Appointed Actuary has also certified that in their opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by IRDAI and the Institute of Actuaries of India in concurrence with the Authority. We have relied upon the Company's Appointed Actuary's certificate in this regard for forming our opinion on the financial statements of the Company. (Refer Other Matter Paragraph of our main Audit Report) Accordingly, our opinion on the internal financial controls with reference to financial statements does not include reporting on the operating effectiveness of the management's internal controls over the valuation and accuracy of the aforesaid actuarial valuation.
