GRMC Comprises of Independent Directors, Chief Executive Officer, Chief Financial Officer and, Chief Risk Officer ('CRO') of the Company and advises on financial risks and appropriate governance framework for the Company. The ALCO comprising senior management functionaries of the Company and addresses ALM related issues and reports to GRMC. GRMC and Audit Committee as part of evaluation of the overall risks evaluate the Liquidity risk faced by the Company and provides assurance to the Board of Directors of the Company that Company's financial risk activities are governed by appropriate

policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

**Note:**

Since September 2018, due to sudden adverse developments in the financial sector and financial flexibility of majority of non-banking finance companies, the Company was adversely impacted resulting into temporary liquidity mismatch which led to rating downgrades as well as delays / defaults in repayment of outstanding debt to its lenders and debenture holders. The Company is currently engaged with debenture holders to arrive at a resolution of debt by monetisation of its assets and unlocking the value of its underlying business, and thereby significantly reduce its overall leverage, subject to applicable approvals from the board and shareholders of the Company, courts, creditors and regulatory authorities.
