If, let's say, NDA gets 270 plus seats on its own and is in a position to form the next government without any support, then maybe the market will go up 5-7%.

SANJEEV PRASAD

Senior Executive Director & Co-Head,
Kotak Institutional Equities

So, assuming a pro-Modi event or a pro-Modi government coming to power, the markets will now wait to see what work he does. From a Congress govt to a BJP govt, 6800 on the Nifty has more or less fully played out.
