Reliance Health launches its first product

Reliance Health Insurance has launched its first product 'More'. Along with the basic plan customers can choose any one of the More Option Benefits, which will be applied to the policy with no additional premium. The other two more benefits can be availed at a nominal cost. The benefits include: more time-extend a one-year policy by one month and two-years policy policy by two months; more cover-add Rs 2 lakh additional cover on a Rs 5 lakh cover or Rs 3 lakh additional cover on a Rs 10 lakh cover; more global-covers emergency hospitalisation abroad up to defined limits.
